ART UNIT 157

Art Unit: 1753

1. The following is an examiner's statement of reasons for allowance: An electrophotographic element having the materials and meeting the parameters of the instant claims shows unexpected results in (1) resistance to transfer memory image and (2) resistance to exposure memory image and reduced exposure memory potential as compared to electrophotographic elements having the materials of the instant claims but outside the parameters of the instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roland Martin whose telephone number is (703) 308-2932.
